

Limited Use Label License
October 1, 2021

This License governs the use of all Product(s) sold by Firebird, and replaces and voids all previous versions.

Purchaser agrees to comply with all of the terms of this Limited Use Label License.

Product(s) sold by Firebird Biomolecular Sciences LLC are, or may become, covered by U.S. and/or foreign Intellectual Properties that are owned and/or held by the Foundation for Applied Molecular Evolution, Dynamic Combinatorial Chemistry, Steven Benner, and/or Firebird itself. These Intellectual Properties include Patents listed in Appendix A.

Firebird markets these products under agreements with these specific Owners/ Holders. Firebird makes no representation or warranty that use of Product(s) does not infringe on the intellectual property of any party other than those listed in this paragraph. Purchaser is solely responsible for obtaining any other rights needed to receive and use Product(s).

By purchasing the Product, the Purchaser receives (and Firebird grants to Purchaser) under these Intellectual Properties from these specific Owners/ Holders a non-exclusive, worldwide, irrevocable, perpetual, royalty-free, non-transferable License to use Product(s), but only in research activities, and only within its own facilities. Purchaser may not re-sell Product(s) without express written permission of Firebird

These products may not be used in any commercial product. Further, through the purchase of Product(s), Purchaser does not receive any rights, express or implied, to practice, or infringe on, any Intellectual Properties by the above-listed owners/ holders, outside of the License granted in the preceding paragraph.

"Commercial Use" shall mean, but not be limited to: (a) providing a service, information, or data to a person or entity not party to this Agreement for financial gain; (b) production or manufacture of products for general sale or products for use in the manufacture of products ultimately intended for general sale; (c) use in the development of products for sale to third parties; (d) use of the product for therapeutic, diagnostic, or prophylactic purposes; or (e) use in connection with proficiency testing service(s), including but not limited to, calibrations or tests on the same or similar items or materials in accordance with predetermined conditions.

Commercial Use licensing terms are available under a separate Commercial Use License and must be agreed upon in writing between Owners/ Holders and the Licensee.

Except for that License, any and all rights to Product(s), modifications or unmodified derivatives thereof shall remain with Firebird Biomolecular Sciences, or the Owners/ Holders of Intellectual Properties.

Data generated by the Purchaser using the Product(s) are owned by Purchaser, subject to the use restrictions above.

Product use must comply with all laws and regulations, including but not limited to current EPA, FDA, USDA, and NIH guidelines. MATERIALS MAY NOT BE USED IN HUMANS.

Purchaser acknowledges that the Product is provided WITHOUT WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED. FIREBIRD BIOMOLECULAR SCIENCES, LLC MAKES NO REPRESENTATION OR WARRANTY THAT THE USE OF THE PRODUCT WILL NOT INFRINGE ANY PATENT OR OTHER PROPRIETARY RIGHTS.

In no event shall Firebird be liable for any use of the Product by purchaser. Purchaser agrees to defend, indemnify, and hold harmless Firebird, its officers, employees, and agents from any third party loss, claim, injury, damage, expense, or liability (including attorney's fees), of whatsoever kind or nature, which may arise from or in connection with purchaser's purchases, use, handling or storage of the Product, provided that purchaser is promptly notified of such any claim or action after Firebird first learns of it, purchaser is permitted to assume sole control of the defense and any settlement, and Firebird reasonably cooperates with such efforts and activities. Firebird shall defend, indemnify and hold purchaser and its officers, employees, and agents from any third-party loss, claim, injury, damage, expense, or liability (including attorney's fees), of whatsoever kind or nature arising out of the negligence or willful misconduct of Firebird.

This quote (including the terms of this Limited Use Label License attached hereto) shall be governed by and construed in accordance with the laws of the State of Florida without regard to the conflicts of laws or provisions thereof.

Appendix A

Category	Product	Catalog No.	Applicable Patent(s)
Reversible Terminators	Ready-to-Use, Untagged	TONH2-171, CONH2-172, AONH2-173, GONH2-174	8034923, 8212020, 10472383, 10654841,
	Oxime, Untagged	TONH2-101, CONH2-102, AONH2-103, GONH2-104	
Artificially Expanded Genetic Information Systems (AEGIS)	AEGIS Phosphoramidites	dZ-PA-101, dP-PA-102, dS-PA-104S, dB-PA-103P	8586303, 8614072, 9334534, 9637783, 9725713, 9988659, 10106837, 10415088, 10513704
	AEGIS Triphosphates	dZTP-101, dPTP-201, dSTP-401S, dBTP-301P	
	AEGIS Oligonucleotides	Custom Order	
Self-Avoiding Molecular Recognition System (SAMRS)	SAMRS Phosphoramidites	T* Phosphoramidite, A* Phosphoramidite, C* Phosphoramidite, G* Phosphoramidite	EU2321332, CA2734514, 8871469, ZL 200980132866.5, 9249458, 10106837,
	SAMRS Oligonucleotides	Custom Order	
Biversal Nucleotides	Biversal Phosphoramidites	Pyr-BiVer, Pur-BiVer	10059735
